- Thermostatically-controlled radiator fan motor.
- Horn.
- Multi-function stalk switch.

ENGINE MANAGEMENT

- Engine electronic control unit (ECU).

WORKING MATERIALS

- Oils.
- Oil filter and anti-freeze are included only if it is essential to replace them because of the failure of a part which is included under this agreement.

CASINGS

- If any of the included parts fail and this damages the casing, it will also be included.

FOUR-WHEEL DRIVE

- All four wheel drive components are included.

AIR CONDITIONING (FACTORY FITTED)

- The air conditioning compressor unit is included.

TURBO CHARGER (FACTORY FITTED)

- The turbo charger unit is included.

ANTI LOCKING BRAKE SYSTEM (FACTORY FITTED)

- The ABS modulator and sensors will be included.

IN ADDITION

working materials and casings.
EXCLUDED
bodywork, paint, glass, trim and other items as listed in the warranty schedule including wear and tear.

TRANSFER OF OWNERSHIP

The benefit of your warranty agreement is transferable should you sell the vehicle to a private individual. This is subject to the terms and conditions as detailed in your warranty agreement.

*The benefits summarised above are subject to the terms and conditions. There are also certain limitations in the maximum amount paid in the event of a breakdown. Please ask your supplying dealer for further details.

FULL RECOVERY ASSISTANCE (OPTIONAL)

Murphy & Gunn Assist Breakdown Recovery is a dynamic emergency assistance service designed by experts to suit you. Murphy & Gunn Assist administered on our behalf by Call Assist, operates a 24 hour, 365 days-a-year service for you to contact should your vehicle experience a breakdown.

The Call Assist Rescue Controllers are trained to the highest degree and are backed by the latest computer technology and mapping facilities together with a fully trained network of recovery operators throughout Republic of Ireland

INCLUDED: ROADSIDE ASSISTANCE AND RECOVERY

If your vehicle suffers a breakdown:-

- An electrical or mechanical failure which immediately renders the vehicle immobilised
- Running out of fuel
- Flat tyres
- Locking your key in the vehicle

Help will be sent to the scene of the breakdown and we will pay call out fees and mileage charges needed to repair or assist with the vehicle. If, in the opinion of the Recovery Operator, they are unable to repair the vehicle at the roadside the Recovery Controller will assist in the following way:-

- Arrange for your vehicle, you and up to 5 passengers to be recovered to the nearest garage able to undertake the repair, or;
- If the above is not possible at the time of the breakdown they will arrange for your vehicle, you and up to 5 passengers to be transported to your home address or original destination.

HOME ASSIST

A Recovery Operator will be despatched to your home address or within a one mile radius. Attempts will be made to repair your vehicle on the spot. If a repair is not possible they will transport your vehicle to the nearest repairing garage.
